Objective

I'm a web developer. I spend my whole day experimenting with HTML, CSS, and JavaScript. Furthermore, I'm curious, and I enjoy work that challenges me to learn something new. The list of projects on GitHub will give you a good idea of the types of tools I use. My goal is to become associated with a company where I can utilize my skills and gain experience while enhancing the company's productivity and reputation.

Education

Srinagar British School   2013
Class X - **79.2%**

Caset Experimental School   2015
